Thank you for your recent donation of £750, for which we are extremely grateful for at Crisis. Your donation will directly support individuals experiencing homelessness at our Oxford Skylight, making a significant difference to their journey and helping us to end their homelessness for good.

Over the last year, homelessness in Britain has increased from 250,000 individuals, to over 270,000 and, unfortunately, this continues to grow due to many contributing factors. Raising enough money to fund our work continues to be challenging, and your donation will be well used as we face overwhelming demand for our services in the area.

Our staff work hard to support individuals to rebuild their lives away from homelessness, including those with multiple complex needs, such as a history of trauma and mental health conditions.

Planning for the future is only possible because of our supporters. Thank you for choosing to donate to us again this year, and for all the contributions from your members.

If you would like any further information on the difference your donation makes, please don't hesitate to reach out.

Thank you for your ongoing support!

Kind regards,

Kate Cocker
